

ST. AUGUSTINE'S
COLLEGE
AN AUGUSTINIAN SCHOOL

Work Experience - Employer's report 2021/22

This school appreciates very much the on-going co-operation of employers who provide work experience opportunities for our students. Such placements are of great benefit to students. This form is an important record of their performance with your organisation. It will be much appreciated if you could complete it as fully and as accurately as possible and return it to the school once the work placement is completed. Thank you.
